The summer meeting date is set for **Monday, August 26, 2024** at the Division of Wildlife Delaware Shooting Range. Registration opens at 9:00 AM, the meeting starts at 12:00 pm, lunch will begin following the membership meeting.

This year we have planned the following speakers and activities:

1. Opening Remarks - Chief Kendra Wecker

Examples – Ohio Trivia, Casting Competitions, Shooting Competitions, Wildlife Identification, Trap Setting Competitions, etc...

3. A presentation from the Take Charge/Live Well program – to encourage officers (or other employees) to utilize the programs for financial incentives of up to \$1,500.00.
4. Firearms Training Team Qualification - OGPA coordinated the date/range with Roby Williams to allow officers/retirees to attend the meeting AND qualify with their firearms.

We will be providing lunch and having a short business meeting during the lunch break.

Non-commissioned staff are welcome to attend with their supervisor's approval and participate in the meeting.

Come out and enjoy a fine meal and relax with some old friends. If you can't make the meeting, consider renewing your membership or sending a donation—any amount will help us out.
